DETAILED ACTION

Reissue Applications

2. Claims 15-18, and 23 are rejected under 35 U.S.C. 251 as being improperly broadened in a reissue application made and sworn to by the assignee and not the patentee. A claim is broader in scope than the original claims if it contains within its scope any conceivable product or process which would have infringed the original patent. A claim is broadened if it is broader in any one respect even though it may be narrower in other respects.

The rejection has been discussed in paper of 3/4/03, paragraph 6. and apply to the claims above as now amended.
